My dear "Bairns"!

Fancy the Head of that
great school being so
addressed!

All your news is
delightful + I certainly
must ^{keep} ~~have~~ the photo.
of the whole school. many
thanks. the children are
charming. good + sweet
+ intellectually alive.

I wonder with this letter

+ portrait from our
 old friend at Chelsea
 help you at all. The
 children would take her
 religion as a mere part
 of her being French?

Write to Fiddle B. direct
 if you think well.

Mr. Franklin writes "I
 was charmed with the
 spirit of it - all. They have
 94 pupils now (!!) -

How very interesting about
 Mr. Thomson especially
 about Miss Althorp

Much love to the dear
 fellow worker - affly Yrs
